

Programme ideas: Residential section

When completing each section of your DofE, you should develop a programme which is specific and relevant to you. This sheet gives you some ideas that you could do or you could use it as a starting point to create a Residential of your own!

It's your choice...

Going on a residential gives you the chance to learn how to work with people from different backgrounds

and build confidence living in new environments. There are loads of exciting possibilities and opportunities, so choose something which you will find really fulfilling.
